As a leadership team, we are so amazed by the wonderful things this organization has accomplished since our last publication. The joint military, civilian, and contractor personnel of the 87th Force Support Squadron serve this community with P.R.I.D.E. (professionalism, respect, innovation, development, and engagement) that only #TeamOTB can provide. This community of five Air Force wings and over 80 mission partners continues to deliver innovative Agile Combat Support, enabling a full range of missions across the joint base. It also continues to grow and renew the interpersonal connections that proved JBMDL is leading the way in joint base integration (on and off duty). We welcome these renewed connections with excitement!

It is exciting to drive by our Dining Facilities and see people dining outdoors together. Equally so to walk into a classroom in our Child & Youth Programs and see the joy on the faces of our providers and the children they care for. It's an honor to stop by our Civilian Personnel Flight of the Year (from Air Mobility

Command!) and learn about their great work to expand our providers so we have more capacity to care for this community. Or to visit Military Personnel Flight of the Year (from Air Mobility Command!) getting ready for its busiest time of year between PCS season, changes to officer evaluations, and the current evaluation cycle. We are thrilled by the positive feedback from our Green Belt "Boot Camps", as well as the continuous improvement and innovation that we see as a result. It is a joy to stop by the Military Family Support Center, and to see the team's outreach to squadrons at commander's calls and other events. All the while Operations readies our Airmen for deployment all over the globe. Still, there is more to come and we are here for it!

Our Fitness Centers and Child & Youth Programs at McGuire, Dix, and Lakehurst are excited to get back into intramurals and youth sports. Our Firehouse (right next door to Subway) is a great place to gather with friends for a lunchtime lounge. The Flight Deck at Lakehurst is our hidden treasure of JBMDL; a

wonderful atmosphere and even better people! Our Librar-E is excited to get back to story time fun that kids (young and young at heart) all enjoy so much. The prime season for golf, Outdoor Recreation, and travel with ITT is upon us. So is the opportunity for Arts & Crafts birthday fun, and kids bowling for free! We look forward to providing UNITE and Unit Enhancement Fund sponsored events to our joint base units. We equally look forward to sharing all these moments with you, our joint base community via our new website!

It is a great time to be a part of the JBMDL community. I am honored to serve this amazing team, and they are honored to bring you all our upcoming offerings. I look forward to seeing you, your family, and your friends, poolside or at another event very soon. We welcome your feedback so we make #TeamOTB everything that this community needs it to be. Please follow us on all our social media platforms, and let your friends and family know to do the same. Thank you for the opportunity to serve.

New Jersey's bitterly cold temperatures and unpredictable snowfall is behind us. Now we can slide into the beautiful spring and summer months the Garden State offers. Warmer weather means more outdoor activities and the 87th Force Support Squadron always makes the most of the season. Whether it's an outdoor picnic at the installation on a lush expanse of lawn or an off-base excursion to a select destination, 87FSS offers the most in seasonal activities.

# Seasonal Preview

FSS Fitness & Sports is always hosting 5K Runs for the runners among us and each usually features a 3K Walk for the not-so runners among us. Backyard parties are a summertime tradition and FSS Outdoor Recreation should be your first stop. Barbeque equipment to canopies of all sizes to a variety of inflatables - and everything in between - is available to make your party the best on the block. Both Pine Ridge and Fountain Green golf courses are open during the spring and summer seasons, a great time to get out and get your tee on! And of course there are always 87FSS special events throughout the warmest time of year including picnics, campouts, and more! Great fun for the entire family!

# REVITALIZE the SQUADRON

With the return of normalcy upon us, we are eager to get your unit back into the groove through recreation, and the UNITE program is here to support!

UNITE can assist with all sorts of cohesive recreational programming, both on and off the installation. Our FSS activities are excited to host events again and offer special UNITE activities - whether it's an afternoon of bowling, some friendly competition with games and sports equipment from Outdoor Recreation, or perhaps there's something at the golf course or Range-14 that peaks your interest - we can help build the event that works best for your unit! If getting off of the installation is something you're looking for, we can help you there as well.

2021 was a great taste of how amazing it feels to get back into the swing of things! Through UNITE, we completed 76 events and served over 5,000 airmen. We hope to make this year even more successful, and are already off to a great start. Most recently, we have been rockin' the lanes at the Dix Bowling Center, and we're looking forward to seeing what's in store for the months ahead.

UNITE is a program designed to reinforce morale through cohesive, recreational activities. There are funds available for all of the Active and Reserve Air Force units assigned to JB MDL, so check with our Community Cohesion Coordinator (C3) to get started.

Our C3 is Ms. Jenn Revell. She's a newer member of our FSS team, but comes to us with 10 years of military programming experience with the USO and Army MWR. Brought up with Army roots, she is now part of an Air Force family, as her husband is a boom operator in the 2ARS

The Revell family is excited to have had the opportunity to come

back "home" to this area, and we're excited to have her aboard!

# he **Course** be with you

*There's no better way to get out and enjoy the day than getting in a round of golf on a great course. We're very fortunate because 87FSS offers two beautiful golf courses located right here at JBMDL.*

There are lots of options to spend your time on the courses. Located on JBMDL Dix, 87FSS Fountain Green is an 18 hole course with lots of features. Designed in 1941, the course measures nearly 6400 yards from the championship tee. In the mood to practice your swing? Step over to the driving range which features 27 stanchions you can use. For the low price of \$5 a token, you are given a bucket of 60 balls to have a whack at and enjoy yourself.

In addition to the driving range, there is a putting green for you to do small chipping with and practice your putting. If you feel an appetite coming on, you can make your way over to Fairways Grill for a bite and enjoy your food with some fresh air and a great view of the course from the newly renovated patio. Both food options accept Unite money. 87FSS Fountain Green also has a cozy lounge area if you just want to sit back, relax, and unwind.

JBMDL has a large footprint across the state of New Jersey and the installation contains many sights you may not have ever seen before. Then again, maybe you have.

## Pondering Options

*A lone golfer attempts to navigate around a water hazard at Fountain Green Golf Course.*

*continued from page 11*

If you are a competitive spirit and want to test your skill against others, 87FSS Fountain Green hosts tournaments and cups monthly. 87FSS Fountain Green is a great opportunity for units to boost morale and practice team building.

Come see why hole #12 is a fan favorite with short dogleg, or try your luck on the difficult hole #18.

Located on JBMDL Lakehurst, 87FSS Pine Ridge offers a lot of similar amenities. The course has nine holes, but you can play 18 holes with the option of two different tee boxes. It also has a smaller grill and both a putting green and shorter driving range with six stanchions. Both courses also contain pro shops, where you can buy all your golfing needs. You are given the option of special ordering as well as price matching. If you are new to golfing but still want to join in on the fun, lessons are offered as both clinics and individual.

Youth can also take advantage of the courses as junior lessons are offered as well as a free token for the driving ranges when purchased with an adult. You can rent smaller clubs for the kids to use as they learn and enjoy the game.

Along with the newly renovated patio, 60 new golf carts have been added, as well as other plans to renovate the clubhouse coming soon which we are very excited about.

We had the privilege of speaking with the Golfing Director, John Scott, and learn about his history working in golf.

John Scott has been in the golf business for 28 years, which include time at three different private

courses and two different resorts spanning from Arizona, Florida, and New Jersey. John started his golf career with the military at Fort Monmouth. With a background like that, you can tell John is passionate about making sure the courses offer the most they can. He can't do it alone, as John has special thanks for Scott Tucci who oversees everything at 87FSS Pine Ridge.

Scott Tucci has been the Golf Superintendent here since 2007, and the Golf Manager since 2010. Scott has been in the golf and turf industry since 1984, so we are glad to have so much experience working with us to ensure the best possible program there can be.

We hope to see you around and make this spring/summer season a 'hole in one'!

**Montgomery County, PA** ([www.visitvalleyforge.org](http://www.visitvalleyforge.org)) A world of adventures rich in American history awaits you in Valley Forge and Montgomery County, Pa. Located 18 miles from downtown Philadelphia. Our region is home to not only must-see historical sites but also tons of family attractions, a vibrant arts scene, shopping malls, golf, outdoor activities, and so much more!

Here in beautiful Montgomery County, there lies the largest shopping mall in the tri state area, The King of Prussia Mall. Just window shopping at this mall is a day trip. Top end stores will dazzle you with their displays and the collection of restaurants around the mall are a perfect place to finish out the day. Looking for adventure, how about zip lining at The Elmwood Park Zoo ([www.elmwoodparkzoo.org](http://www.elmwoodparkzoo.org))? Go face to face with a jaguar, see bison roaming freely, and feed a giraffe. Yes, literally hand feed three fully grown giraffes. That selfie is a treasure.

If you enjoy golf, search out the 53 golf courses in Montgomery County. If you enjoy history, Valley Forge Historical Park is the crown jewel of the county. Just like the other surrounding counties, it's worth staying at a hotel and enjoying the weekend.

**Chester County, PA** ([www.brandywinevalley.com](http://www.brandywinevalley.com)) Part of Chester County's undisputable appeal is its

framework of quaint and welcoming neighborhoods. From destination-worthy downtowns with cobblestoned streets, picturesque storefronts, and full calendars of entertainment and events to countryside villages featuring small town charm and hidden gems, these towns showcase some of the true personality and spirit of the Brandywine Valley and are the perfect way to experience the region like a true local.

Ask anyone what's special about Brandywine Valley and the answer is sure to include Longwood Gardens, ([www.longwoodgardens.org](http://www.longwoodgardens.org)) is a botanical garden that consists of over 1,077 acres gardens, woodlands, and meadows in Kennett Square, Pennsylvania. It is one of the premier horticultural display gardens in the United States and is open to visitors year-round to enjoy native and exotic plants and horticulture (both indoor and outdoor),

amazing events and performances.

Want to sample a big city experience in a quaint town? West Chester, PA is your choice. In fact, it was America's choice in 2017 as the winner of the Great American Main Street Award. It's the perfect mix of historical charm and small-town allure with the buzz of city-worthy nightlife and dining. Look for buildings dating from 1789 next door to cutting edge boutiques and award-winning bars and restaurants.

**Pocono Mountains, PA** ([www.poconomountains.com](http://www.poconomountains.com)) A myriad of nature filled activities awaits our JBMDL visitors. In the summer you will find a tremendous waterpark, outdoor adventures, hiking and sight seeing. You can fulfill all of your vacation needs here, from the fast paced excitement of your favorite outdoor activity, to a scenic train tour along with region's railways. Tour a living history museum in the morning, unwinds at a brew pub in the afternoon and dine in an elegant restaurant in the evening. Bed and breakfast choices in the Poconos are a treat for the romantic getaway. Antique shopping is endless up here but so are the bargains at the their outlet stores. As the snow starts to clear and the sun starts to shine brighter, do not forget to take advantage of the pools on base at JBMDL.

This December, the 87FSS Aquatics Program welcomed a new director, Michelle Barsi. We had the privilege of speaking with Michelle and discussing her history with aquatics and the future plans for the program.

87FSS offers one outdoor pool and two indoor pools on base located at JBMDL Dix as well as one outdoor pool at JBMDL Lakehurst. The Memorial Outdoor Pool measures 40 yards in length and an outstanding 11 feet depth for those deep divers. Also open at the outdoor pool are tables to enjoy your food and drinks while soaking up the sun. Conveniently located right next to the FSS Bowling Center at JBMDL Dix, you are just a walking distance from grabbing a quick bite at Ten Pin Cafe. If the weather is looking unpleasant but you still want to get your swimming on, you can head over to the two indoor pools offered.

The larger indoor pool measures 25 yards with 6 lanes and a depth of 12 feet. It is perfect for those who are looking to get some cardio in and burn some calories. The smaller indoor pool measures 20

yards with 4 lanes and a depth of 5 feet. The indoor pools offer both lap swimming and recreational swimming for military, DoD, and veterans.

Want to partake in the fun of the pools but not too confident in your swimming ability? Well have no fear! As of March, the Aquatics Program brought back swimming lessons for the first time in two years. You can find the times for all of these on our website GOMDL.com and also take a look at our social media pages to catch any upcoming events at the pool. The indoor pools also offer a pool basketball hoop and two slides. The biggest slide gives you a great view of the base right before you go in. When the two pools aren't being used for recreational use or exercising, groups like the Marines, National Guard, and even the FBI use it to practice.

The duty of Aquatics Program Director holds a lot of weight, so what exactly does new director Michelle Barsi bring to the table? Barsi has a military past with her father serving in the U.S. Air Force during Vietnam. Barsi also has quite a history with aquatics as before becoming the new director, she held the previous position of the swim lesson coordinator at the YMCA. She also has previous positions of lifeguarding, lifeguard instructor, and water safety instructor. With such a deep history of aquatics, she loves getting involved in the water so there is a chance you might catch her in the pool if you visit. Barsi also does inservice training with her lifeguards once a month.

Before making a splash in the water, Barsi was making a splash in the classroom with her 25 years of teaching at Union Township, so you can bet that she cares to teach her lifeguards well. As we welcome the spring and summer weather, we also welcome new friendly faces to visit and use the services provided!

Memorial Outdoor pool JBMDL Dix waits for its annual fill and health check before the first patron splash of the season.
