RE: Joint Base MDL School Choice  
Date: May 2019

The Pemberton Township Board of Education passed a resolution regarding school choice for families who live on JBMDL.

Families who move onto JBMDL are able to choose which school district to enroll children. At Pemberton Township Schools, we offer:

- A 5-Star Early Childhood Education Program
- Kindergarten through 8<sup>th</sup> grades - which provide a guaranteed and viable curriculum
- High School with its Specialized Learning Academies, expanded AP course offerings, and College Accreditation Programs

Pemberton Township Schools is proud in recognizing six National Schools of Character and four State Schools of Character. Our use of Technology as a learning tool continues with 1:1 tablets provided for all students in grades K-12. Visit our website at [Pemberton Township Schools](http://www.pemberton.k12.nj.us) for a complete District Overview.

Parents must make the choice for the entire family. All school-aged children must attend the same district. The agreement does not allow siblings to attend different districts.

If you choose Pemberton Township Schools, we welcome you and your family, look forward to developing a positive relationship, and provide a quality education for your child.

Please contact Central Registration at (609)893-8141 ext 1031 to set up an appointment to register.
