### Please Note:

1. Requests for care are not guaranteed enrollments. Children are officially enrolled once an offer has been made, accepted and finalized by a registration appointment and a signed CYP contract.
2. A current immunization record including the flu shot is required at registration.
3. All forms for registration can be found on **gomdl.com**. Search “Central Registration”, click Read More, Forms Needed for Childcare and Youth Sports at JB MDL and print all forms found under the column labeled “School Age”. Print select medical forms as needed.
4. If your child has any medical conditions, allergies, asthma and/or special needs, a JB MDL Child and Youth Program Information Sheet/Part B must be completed and approved by the Child and Youth Medical Advisor prior to starting Before, After and/or After school care.
5. Transportation to and/or from JB MDL School Age facilities must be coordinated by the parent with the school’s transportation office.
