

# Welcome to JB MDL!

[GoMDL.com](http://GoMDL.com)

Welcome to Joint Base McGuire-Dix-Lakehurst (JB MDL), New Jersey, The Garden State!

We understand the challenges our military youth face every few years...new home, new schools, new friends, and new environment, especially when moving from OCONUS to CONUS or vice versa! PCSing is a huge change, and our 87FSS Youth Program staff would like to make the transition as easy as possible. Developing new friendships before your child's arrival or departure of their installation will make the PCS move much easier.

Fill out the information below, and send it via email or through 87FSS Youth Facebook page to partner with a Youth Sponsor. You'll receive a response from a peer that has gone through the same experience. We look forward hearing from you!
